A motion to authorize a Drill Team Non-Motorized was made by Commissioner Graceffa and seconded by Commissioner Kaplan.

WHEREAS, the Board of Fire Commissioners of the Syosset Fire District has determined that the maintenance of a competitive drill team by the Syosset Fire Department will enable the Chief of Department to improve the overall efficiency of fire department operations because the events that the team will practice for and compete in involve activities which normally would be undertaken by firefighters in the performance of their firematic responsibilities and are designed to improve firematic skills, and

WHEREAS, the Board of Fire Commissioners of the Syosset Fire District has determined that it is authorized to provide for public drills, parades, inspections, and reviews of the fire district fire department or any company or unit thereof in accordance with the provisions of Section 176 of the Town Law and that the very nature of competitive drills in which the district fire department drill team participates in makes them training events that should qualify as public drills, and

WHEREAS, THE Board of Fire Commissioners of the Syosset Fire District has determined that participation by the department drill team in these competitive tournaments and practicing for them will contribute to the efficiency of the fire department in the performance of its duties and responsibilities, and

WHEREAS, the Board of Fire Commissioners of the Syosset Fire District has determined that the development of teamwork, an *esprit de corps*, and morale are important factors in efficient fire department operations and that the maintenance of a drill team will contribute to those important objectives,

IT IS HEREBY RESOLVED that the Board of Fire Commissioners of the Syosset Fire District will continue to permit the Syosset Fire Department to operate a competitive drill team under the supervision of the Chief of the Department, and the Board will approve the purchase of vehicles, equipment, and supplies for such team out of district funds in accordance with normal procurement procedures. The Chief shall be responsible to submit requisitions for vehicles, equipment, and supplies, subject to Board discretion and approval

**Director of Purchasing Report**

A requisition was received to hold OSHA/Hazmat training classes, a NYS DOL requirement at a cost of \$4,500.00 for three classes. A motion to approve the purchase was made by Commissioner Kaplan, seconded by Commissioner Graceffa, and adopted 5-0.

A requisition was received to upgrade the consoles in the Dispatch office. Watson was the original manufacturer and is the sole source for this upgrade. The estimated cost will be \$5,840.00. A motion to approve the upgrade was made by Commissioner Dhawan, seconded by Commissioner Graceffa, and adopted 5-0.

The question was asked on how to proceed with the requisition for an Apple MacBook for Chief Sauberman/EMS DOT from the last Board meeting. Commissioner Kaplan answered the outstanding question that the new computer was needed to do QA/QI of the PCRs which cannot be done on the tablet. A motion to approve the purchase was made by Commissioner Kaplan, seconded by Commissioner Predmore, and adopted 5-0.

Two quotes were received to repair the East side third floor. Attempts to get additional quotes were not successful. First quote – EL Hehn for \$15,000 does not include garbage removal and a lift to do the work. Adding approximately \$3,200 to the cost of the job. They cannot start the work until the spring. The second quote from Cook & Krupa was for \$18,993.00. They can start the job with a window of three days of 45 degrees or higher. Difference is approximately \$800.00.

As the damage to the building will increase the longer we wait to do the repairs, the Superintendent has requested to proceed with Cook & Krupa. A motion to approve using Cook & Krupa was made by Commissioner Graceffa, seconded by Commissioner Predmore, and adopted 5-0.

#### **Committee Reports:**

- Commissioner Roseo attended the drone presentation held at HQ. It was a great presentation. Also attended a meeting with Smithtown chiefs and the topic discussed was Syosset's drone program. Commissioner Roseo would also like to express the Board's appreciation to the

employees and the members for last year. Congratulations on a successful year, let's keep that going.

- Commissioner Graceffa is requesting the Department offer another defensive driving class.
- Commissioner Dhawan had nothing to report
- Commissioner Kaplan reported that November ambulance recovery brought in \$51,900.00. YTD we have received \$534,790.00. Should have December numbers and final YTD soon. He heard back from 911 Webs who is going to transfer our domain to us via our GoDaddy account. They will need a letter on letterhead to complete the transfer. Have started the process to obtain a ".gov" URL. Attended a workers compensation meeting – approximately 40 attendees from Nassau and Suffolk. Talked about 9-11 claims. Workers comp is primary, World Trade Center is secondary. WTC pays all medical bills. Members who have registered need to be notified to inform workers comp of any medical issues they have or are diagnosed with. We need to figure out what forms and what the process is and then notify the membership. Discussion was held on LOSAP and elected/appointed points. The District Secretary reminded the Board of the changes to the plan that were adopted as of 1/1/2025. The points list will be reviewed and will be brought back to the Board.
- Commissioner Predmore wanted to bring to everyone's attention the positive write up by the Patch on our new ambulances. Commissioner Kaplan brought up the revised member handbook that was tabled last meeting. After discussion a motion was made by Commissioner Kaplan to approve the revision. The motion was seconded by Commissioner Dhawan and adopted 5-0. Commissioner Graceffa commented on the positive article on the Pieper family that was on News 12. It is believed the story was picked up from the Departments social media pages.

- 7) Chiefs/Company Requests:

**5800:**

- 1) MULTIPLE ISSUES WITH CHAUFFER MDT ON E585. 1/10, 1/13, 1/20 Chauffer MDT written up for not working, 1/21 not working able to fix on our own on a way to alarm  
1/10,1/14,1/21 585 RFID written up for not tracking accountability scans  
For the last two the work orders are closed with the system reset itself for RFID and was resolved when looked at, and the chauffeur screen the whole computer system needs to be shut down to fix. Is it

possible the MDT and RFID readers be looked at more in depth as to what's causing the issues? We need a remedy for this. It's a safety issue

**Superintendent Randazzo advised the wording of the work orders needed to be toned down. He advised the issues were being addressed by the mechanics and issues were also due to Windows software updates.**

2) Request the use of Headquarters for an OEM meeting on March 13th.

MOTION: Commissioner Kaplan SECOND: Commissioner Graceffa ADOPTED: 4-0

**5803:**

Request replacement Milwaukee batteries for tools on apparatus.

Superintendent Randazzo advised that these tools are only 2yrs old and expensive to replace. He recommended they switch to Mikita instead of Milwaukee due to smart batteries having limited life cycle and the constant on and off of the trucks is severely shortening the Milwaukee batteries life. Chief Garcia requests that a few be purchased in the meantime until a solution is found. Superintendent advised Chief Garcia to check storage.

c) Items for discussion – need to clean up some procedures/processes

1) Purchases brought up for approval at a Board meeting should not be approved without a dollar amount or an NTE. The requisitions provided at a meeting for approval should have an estimate, this will allow for better control over the budget  
Food for fire school had no estimate – Motion was made by Commissioner Kaplan to set a NTE \$4000 for the four weeks of fire school. The motion was seconded by Commissioner Graceffa and adopted 5-0.

2) Time and Material contracts –

A. not all items fall under the time and material part of the standing order –  
Maccarone – plumbing is under standing order, radiant heat work is not, Fez Landscaping – snow removal, sprinkler work, installation of plaques, trench digging for drone project are not under the standing order.

B. Delivery orders for time and material should also have an estimate for the work to be done. Some of the work by Fez was under a zero requisition that does not hit the Budget to Actual because it is zero. We just corrected the Renovations budget line

and now it will have to be done again. If the estimate was on the requisition we could have accounted for that in the correction

- C. Opinions vary but in doing some research T & M is usually used for repair type work that fall under the boundaries of the maintenance contract. That when we use them for installation or other jobs that we should be getting estimates and also following our procurement process based on the dollar value with additional quotes/bids/etc.

#### OLD ITEMS:

- gg) Capital Asset plans – received A&E replacement schedule & B&G plans – draft schedules sent to Gentile, Brengel, & Lin
- hh) Paycom transition – 5 employees still have not set up their Paycom login account, processed with first holiday today that bridges two pay periods. Holiday rules are not calculating properly. Also, separate checks do not calculate 414(h) and 457 contributions correctly.
- ii) .gov URL – needs to be attached to hosting
- jj) Error on 1<sup>st</sup> quarter payroll tax filing – PBI – charged for MCMCT taxes – PBI is filing amendment. Money was not swiped from account, requesting SUTA refund due to District

Executive Session: Yes

#### **Director of Purchasing Report**

A requisition was received to renew the First Responder Newspaper for \$253/year. After discussion it was decided not to renew the subscription.

Three requisitions were received for equipment to upgrade the radio infrastructure. All items are covered by the Communications budget. First, CDWG in the amount of \$62,328 for network switches. A motion to approve the purchase was made by Commissioner Kaplan, seconded by Commissioner Graceffa, and adopted 5-0. CDW has a contract, but the purchasing officer will need to see if it can be used for these items.

The second requisition is for Motorola in the amount of \$139,334.50 for racks, mounts, hardware, power supplies, GPS clocks, etc. Motorola purchases are under state contract. A motion to approve the purchase was made by Commissioner Dhawan, seconded by Commissioner Graceffa, and adopted 5-0. The third requisition is also from Motorola in the amount of \$218,250.00 for base radios with UHF and analog converters, GPW 8000 receivers with uhf and analog converters, hardware, software, etc. A motion to approve the purchase was made by Commissioner Dhawan, seconded by Commissioner Kaplan, and adopted 5-0.

A requisition was received for the EMS & Fire Pro Expo at Mohegan Sun, CT in the amount of \$4,208.00 for conference and lodging for Jack Randazzo, Michael Scanlon, Justin Pons, and Ryan Roberts. A motion to approve the conference/lodging fees, and approval for the 4 individuals plus Comm. Robert Kaplan (if available) to attend this conference was made by Commissioner Dhawan, seconded by Commissioner Kaplan, and adopted 5-0.

#### **Superintendent's Report – 5/27/2026**

Update on the drain repair at Station 3, Stasi is recommending to put a concrete square around the drain at an additional cost of \$1,100/drain, \$3,300 total on top of original repair quote. Discussion was held. Decision was made to keep the plan as is and only do the work that was originally quoted.

Drone sites were installed, waiting on training.

The east side of the building is still leaking. The District office had a leak during the storm this past weekend. Still waiting on the remainder of the work to be done, which will hopefully fix the problem.

Executive Session – yes
